As CHRISTMAS is almost here and people want to know where to purchase their holiday presonts, and naturally look to the newspaper for such information, all who have heliday "goods and wares" to dispose of should defer no longer to advertise, and they will find no surer means of conveying information than that afforded by the Gazette, the circuistion of which along the lines of the different railways leading to this city makes it a particularly desirable medium.

CHRISTMAS IS COMING. - The approach of the holiday season is made manifest by the large number of toys, expositios and articles of vertu exhibited in the windows of the stores on King street. From morning until night the fancy and notion stores are crowded with purchasers, while outside the urchine gaze upon and covet the many tempting articles displayed to their view. Then, again going to the inside the visitor halolds the against lover puzzing knotty problem of how to make his adored one n fitteen dellar present, from a five dellar rocket book. Oxaho streets the sound of the strill whistle resounds an all sailer, and the prover but small key debelow the possession of a new instrument with which to awaken the ochoes and shock the moves of the offer per tion of the community. Verily Christmas is

Suppose Prayer -- Mr. John Thos. Andley, well known to most of our estimate stied game trade, shotmakies, is kinshop on St. Asaph sincet, between King and Cumoton streets, shortly alternage, but a boy looking through the window, about hell an hour afterwards, naw him lanning against a fire and apparently ill. The boy at once gave the alarm, and several neighbors went in and found Mr. Audley unconscious. Dr. Powell was called in but was unable to give any relief. He pre-nounced it a case of apoptage. Mr. Andley lingered about no hour when he expired. The deceased was about fifty five years of age and was a member of the Alexandria Reform c'ub, who took charge of his remains, and from whose rooms the funeral will take place tomorrow evening at tour o'clock.

THE CHY AND COUNTY JUDGESHIPS - It is understood that a versi letters have been written to the readinsters cancus in Richmond by a tramp named biotier recommending the depacition of Judge Smart of this city, but that the writer is as well known by the members of that caucus as he is here, and that the Judge will probably escape the general massacre. The Judge's term of office expires by limitation thirty days after the commencement of the session of the Legislature. There is a vigorous contest for the judgeship of Fairfax and Alexandria counties between Judge Sangeter, the incumbent and ex Judge Cockerille. Messre. Febrey and J. R. Johnston are leading the opposition to Judgo Sangster in Alexaudria county. Judge Sangster weat to Richmond last night to look after his interests.

THE COAL TRADE. - The coal trade for this season is rapidly drawing to a close. The Hampshire and Baltimore Company, as heretofore noticed, have made their last shipments and closed up their business at this point for the season. The American Company, our largest shipper, stopped loading at Cumberland on Wednesday, and expect to have business for this year closed up by Saturday next. It is confidently expected that ice will stop shipments by the other companies ere long, even should they not cease of their own accord.

REFORM CLUB,-The Alexandria Reform club met last night, for their regular business meeting. Various matters of routize were disposed of, amendments were made to the constitution and that document was ordered to be printed, the contract being awarded to the Gazatte Job Office, which was the lowest bidder. Dr. A. F. Cex, who accepted the position of Secretary of the club, pending its organization, resigned that office, and Mr. George W. Maxwell was elected in his place.

RELIGIOUS FRENZY .- Mention was made in the Gazette, several days since, of the committment to jail of Lucy Lee, colored, on the charge of lunacy. It is new alleged that Lucy, who has always been of a weak mind, had her malady increased and was driven to madness by the ratigious teaching of the new sect, under the teaching of Dolan et al owne menus. She is very troublesome in the jail, owing to her low prices by filthy habits and the had practice she has of destroying everything breakable within her reach.

RELIEF HOOK AND LADDER CO. - The Rehel Hook and Ladder Company held its regular monthly meeting last night.

The Recorder reported three planes since The Foreman reported the roof of the Truck

House in very bad order, and the proper anthorities were ordered to be notified thereof, After some routine business, the meeting adimmord.

SERIOUSLY HURY-A little boy maned Richard Corson, son of Captain Corson of the schooner Tradewied, lying at Eleventh street wharl in Washington, was badly injured about the head, yesterday afternoon, by falling note the hold of the schooner Crisis, upon whose deck he was playing. Dr. Bowman rendered surgical aid and stated that the lad's injuries were of a serious character.

THE CITY DEET.-The Auditor has now gotten through with the first rush of bonds for funding, into the new issue, and is now prepar ed to give mick despatch to all persons, who have bonds to bring in. A notice to that ef lest will be found in another column.

Up to noon to day, \$520,200 of bonds had been refunded.

FOOT MASHED. - Mr. Willie Wood, who is employed at Jamieson & Collins' foundry, mot his foot, crushing it badly.

GEESE CAPTURED.—A flock of twelve goess were taken up on the streets yesterday by the policy, being allowed to run at large contrary to the Corporation ordinance, in such cases made and provided. They were confined in cell No. of the Station House to swait the decision of the Mayor. They will probably furnish a Christmas dinner at the Alms House.

of rain list night, succeeded this morning by a dull, heavy day. This evening there was a fine rain, such as was was calculated to rejoice the heart of the farmer and make the gardener feel wonderfully good. The rain was accompanied by lightning and thunder.

ROBBERY.-Mr. A. Jamieson's barn was robbed about noon to-day of a bridle and saddle and parts of two sets of barness. A negro in the neighborhood, on Mr. Jack Brown's Regular 5 and 10c. Goods, missed.

DEATH OF AN OLD SUBSCRIBER, -Mr. Poter Hartman, notice of whose death, near Paris, Fauquier county, will be found in the obituary column of to-day's Gazette, was an highly es teemed and respected citizen, and has been a subscriber to this paper for for y or fifty years

CONTRACT AWARDED. -Mr. G. S. C. leman, of this city, has been awarded the contract by the Board of Commissioners of Howard county, Md., for the creetion of an arch wire suspen sion bridge, one hundred and twonly three feet

DISCHARGED -Walter S. Weaver, of Wes renton Junction, arrrested in this city for ob-B. Williamson, also of Warrenton Junction, has been released, the case against him having been compromised.
